Biographical details of Mr. Pan Wei, Mr. Li Jin and Mr. An Jingbo are set out in Appendix I to this circular.

THE ISSUE MANDATE

At the annual general meeting of the Company held on Thursday, May 25, 2023, a general mandate was granted to the Directors to issue Shares. Such mandate will lapse at the conclusion of the Annual General Meeting. In order to ensure flexibility and give discretion to the Directors to issue any new Shares when the Directors consider desirable for the Company to do so, approval is to be sought from the Shareholders at the Annual General Meeting, pursuant to the Listing Rules, for the grant of the Issue Mandate to the Directors to issue Shares or resell treasury Shares (if permitted under the Listing Rules). At the Annual General Meeting, an ordinary resolution numbered 4(A) will be proposed to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with the additional Shares or resell treasury Shares (if permitted under the Listing Rules) not exceeding 20% of the total number of issued Shares (excluding any treasury shares) as at the date of passing of the ordinary resolution in relation to the Issue Mandate for the period until (i) the conclusion of the next annual general meeting of the Company; (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable law(s) or the Articles of Association to be held; or (iii) revocation or variation of the Issue Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

LETTER FROM THE BOARD

As at the Latest Practicable Date, the total number of issued Shares comprised 174,000,400 Shares. Subject to the passing of the ordinary resolution numbered 4(A) and on the basis that no further Shares are issued or repurchased and the Company does not have any treasury shares after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to issue or resell treasury Shares (if permitted under the Listing Rules) involving a maximum of 34,800,080 Shares.

In addition, subject to a separate approval of the ordinary resolution numbered 4(C), the number of Shares repurchased by the Company under ordinary resolution numbered 4(B) will also be added to extend the Issue Mandate as mentioned in ordinary resolution numbered 4(A) provided that such additional number of Shares shall not exceed 10% of the total number of issued Shares (excluding any treasury shares) as at the date of passing the ordinary resolution in relation to the Issue Mandate and Repurchase Mandate.

THE REPURCHASE MANDATE

In addition, at the annual general meeting of the Company held on Thursday, May 25, 2023, a general mandate was granted to the Directors to repurchase Shares. Such mandate will lapse at the conclusion of the Annual General Meeting. An ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the total number of issued Shares (excluding any treasury shares) as at the date of passing of the ordinary resolution in relation to the Repurchase Mandate for the period until (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable law(s) or the Articles of Association to be held; or (iii) revocation or variation of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

As at the Latest Practicable Date, there were 174,000,400 Shares in issue. Subject to the passing of the ordinary resolution numbered 4(B) and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to repurchase a maximum of 17,400,040 Shares pursuant to the Repurchase Mandate.

The Board notes that with effect from June 11, 2024, the Listing Rules will be amended to introduce flexibility for listed companies to cancel shares repurchased and/or to adopt a framework to (i) allow repurchased shares to be held in treasury and (ii) govern the resale of treasury shares. Following such changes to the Listing Rules, if the Company repurchases Shares pursuant to the Repurchase Mandate, the Company may (i) cancel the repurchased Shares and/or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made. If the Company holds Shares in treasury, any resale of Shares held in treasury will be subject to the ordinary resolution set out in agenda item No. 4(A) of the Notice of AGM and made in accordance with the Listing Rules and applicable laws and regulations of the Cayman Islands.

General

Save as disclosed in this circular, to the best knowledge of the Company, each of the above retiring Directors proposed for re-election at the Annual General Meeting has confirmed that there is no information required to be disclosed pursuant to any of the requirements under Rule 13.51(2)(h) to (v) of the Listing Rules and there are no other matters relating to their re-election that need to be brought to the attention of the Shareholders.

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

THE LISTING RULES

The Listing Rules permit a company with a primary listing on the Stock Exchange to repurchase its fully-paid up shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all on-market share repurchases by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by specific approval of a particular transaction or by a general mandate to the directors of the company to make such repurchases.

With effect from June 11, 2024, the Listing Rules will be amended to introduce flexibility for listed companies to cancel shares repurchased and/or to adopt a framework to (i) allow repurchased shares to be held in treasury and (ii) govern the resale of treasury shares. Following such changes to the Listing Rules, if the Company repurchases Shares pursuant to the Repurchase Mandate, the Company may (i) cancel the repurchased Shares and/or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made. If the Company holds Shares in treasury, any resale of Shares held in treasury will be subject to the ordinary resolution set out in agenda item No. 4(A) of the Notice of AGM and made in accordance with the Listing Rules and applicable laws and regulations of the Cayman Islands. Any resale of treasury shares pursuant to the Issue Mandate may only be made after the amendments to the Listing Rules have come into effect on June 11, 2024. To the extent that any treasury shares are deposited with CCASS pending resale, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as treasury shares. These measures may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury shares deposited with CCASS and (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions.

SHARE CAPITAL

As at the Latest Practicable Date, the total number of issued Shares was 174,000,400 Shares. Subject to the passing of the ordinary resolution granting the Repurchase Mandate and on the basis that the total number of issued Shares remains unchanged on the date of the Annual General Meeting and the Company does not have any treasury Shares, i.e. being 174,000,400 Shares, the Directors would be authorized under the Repurchase Mandate to repurchase a

maximum of 17,400,040 Shares, representing 10% of the total number of issued Shares (excluding any treasury shares) as at the date of the Annual General Meeting, during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiry of the period within which the next annual general meeting of the Company is required by any applicable law(s) or the Articles of Association to be held; or (iii) the passing of an ordinary resolution by Shareholders in general meeting of the Company revoking or varying such mandate.

REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. When exercising the Repurchase Mandate, the Directors may, subject to market conditions and the Company's capital management needs at the relevant time of the repurchases, resolve to cancel the Shares repurchased following settlement of any such repurchases or hold them as treasury Shares. Shares repurchased for cancellation may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share. On the other hand, Shares repurchased and held by the Company as treasury Shares may be resold on the market at market prices to raise funds for the Company, or transferred or used for other purposes, subject to compliance with the Listing Rules, the Articles of Association, and the laws of the Cayman Islands. Share repurchase will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchase of the Shares must be funded out of funds legally available for such purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands. The Directors may not repurchase the Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Subject to the foregoing, the Directors may make repurchases with profits of the Company or out of a new issuance of shares made for the purpose of the repurchase or, if authorized by the Articles of Association and subject to the Companies Act, out of capital and, in the case of any premium payable on the repurchase, out of profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorized by the Articles of Association and subject to the Companies Act, out of capital.

As announced in the announcement of the Company dated December 18, 2023. On December 18, 2023, the Board formally resolved to utilize the Repurchase Mandate to repurchase Shares in the open market from time to time at a maximum aggregate amount of HK\$10 million. The Company will conduct the Proposed Share Repurchase in compliance with the Articles of Association, the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited, the Codes on Takeovers and Mergers and Share Buy-backs, the Companies Act of the Cayman Islands and all other applicable laws and regulations. The Directors would only exercise the power to repurchase in circumstances where they consider that the repurchases would be in the best interests of the Company. If the Repurchase Mandate is exercised in full, there might be a material adverse impact on the working capital and the

gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at December 31, 2023, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

GENERAL MATTERS

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates have any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

No core connected person has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to sell any Shares held by him or her to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has confirmed that neither the explanatory statement nor the proposed repurchase of Shares has any unusual features.

TAKEOVERS CODE IMPLICATIONS

If, as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

Pursuant to the deeds of voting proxy dated June 6, 2021 with each of Connect The Unconnected Limited, Flyflux Holding Limited and Technolo-Jin CO., LTD (each, a “Principal Shareholder”), Mr. Wu as proxy has the right to vote over all the Shares held by each of them, as a result of which Mr. Wu and Principal Shareholders are in substance parties acting in concert.

- (6) (L) denotes a long position in the Shares.
- (7) As of the Latest Practicable Date, there were 174,000,400 Shares in issue.

In the event that the Directors should exercise in full the proposed Repurchased Mandate, the interest of the substantial Shareholders in the Company will increase to the approximate percentage set out in the above table. To the best knowledge and belief of the Directors, Mr. Wu and the Controlling Shareholders’ shareholding in the Company will be increased to approximately 55.24% of the total number of issued Shares (excluding any treasury shares). Such increase would give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code to make a mandatory offer. The Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any repurchase made by the Company of the Shares.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares (whether on the Stock Exchange or otherwise) have been made by the Company from the Listing Date to the Latest Practicable Date.
